PARTICIPATING COLLEGES AND COUNSELING SESSIONS AT BUITEMS 7TH JOB FAIR

Prepared by: *Qadeer Sarwar (Manager Marketing UAFA)*

The 7th Job Fair at Balochistan University of Information Technology, Engineering, and Management Sciences (BUITEMS) was a significant event, drawing participation from a wide range of colleges and educational institutions across the province. The fair was designed to provide students with direct access to job opportunities, internships, and essential career advice. It also featured crucial counselling sessions focused on scholarships, admissions, and career perspectives, ensuring that students received comprehensive guidance on their future academic and professional paths.

Participating Colleges:

The following educational institutions played a vital role in the success of the event, with their students actively engaging in job-related activities, counselling sessions, and networking with employers:

- Hassan Musa Girls College
- Tameer-i-Nau Boys College
- Government Science College
- Government Polytechnic College for Boys
- Government Boys Degree College
- Government Girls Degree College Kechi Baig
- Pak Turk School and Colleges
- Iqra Residential College

Each of these colleges contributed to the dynamic atmosphere of the event, ensuring a diverse group of students participated, eager to explore career opportunities and expand their professional networks.

Empowering Students for Future Success

In addition to job and internship opportunities, the 7th Job Fair offered specialized counselling sessions aimed at helping students navigate their academic and career journeys. These

sessions were designed to provide clear guidance on essential topics such as scholarships, admissions, and career development.

Key Counselling Topics:

Scholarships:

Students were provided with detailed information about available scholarships for both domestic and international education. Counsellors discussed eligibility criteria, application processes, and deadlines for Balochistan-based scholarships as well as global opportunities for higher education.

Admissions Guidance:

Experts from BUIITEMS and other educational institutions offered personalized advice on the admissions process. They explained the various programs available, requirements for admission, and how students can apply to enhance their chances of acceptance into higher education programs.

Educational Opportunities:

The counselling sessions highlighted future academic paths, including advanced degree programs, online certifications, and professional courses. Students were encouraged to think about how further education could boost their career prospects.

Career Development and Job Search:

Industry professionals and career advisors conducted sessions on how to effectively navigate the job market. This included guidance on resume building, interview preparation, and networking strategies to help students make a smooth transition from education to employment.

The 7th Job Fair was a resounding success, thanks to the active participation of students from these colleges, as well as the high number of companies offering jobs and internships. The feedback from students was overwhelmingly positive, with many expressing gratitude for the hands-on experience and insights gained from the event. Many students have already followed up with companies they connected with at the fair, while others are in the process of applying for internships or job positions.

Participating employers were impressed by the enthusiasm and talent displayed by the students from these colleges, particularly noting the level of preparedness and professionalism shown during interviews and networking sessions.

A Bright Future for Balochistan's Youth

The 7th Job Fair served as an essential platform for students to connect with employers, explore internship and job opportunities, and receive career guidance. The counselling sessions added significant value, providing students with the tools they need to pursue higher education and succeed in the job market.

With participation from Hassan Musa Girls College, Tameer-i-Nau Boys College, Government Science College, Government Polytechnic College for Boys, Government Boys Degree College, Government Girls Degree College Kechi Baig, Pak Turk School and Colleges, and Iqra Residential College, the event highlighted the importance of collaboration between educational institutions and the job market in shaping the future of Balochistan's youth.

BUITEMS remains committed to providing these opportunities and will continue to organize events that bridge the gap between academia and industry, ensuring that students are equipped with the necessary skills and support to succeed.
