SUMMARY OF ACCREDITATION STATUS OF ACCREDATED PROGRAMS

Faculty	Sr.	Program	Accreditation level	Latest Accreditation status (as per PEC website and EAB document)	Accredited Body
FOE&A	1	BS Civil Engineering	Level-II	From Intake of Batch 2016 to 2020. re-accreditation is also recommended for Intake Batch 2021 under Level-II subject to submission of satisfactory compliance report on procurement of following Equipment in Hydraulic Lab: i.Hydraulic bench ii.Turbines iii.Pumps	Pakistan Engineering Council
	2	BS Chemical Engineering	Level-II	From Intake of Batch 2017 to 2020. re-accreditation is also recommended for Intake Batch 2021 under Level-II subject to submission of satisfactory compliance.	Pakistan Engineering Council
	3	BS Petroleum and Gas Engineering	Level-II	From Intake of Batch 2017 to 2019	Pakistan Engineering Council
	4	BS Mechanical Engineering	Level-II	From Intake of Batch 2019 to 2021	Pakistan Engineering Council
	5	BS Textile Engineering	Level-II	From Intake of Batch 2017 to 2020	Pakistan Engineering Council
	6	BS Mining Engineering	Level-II	From Intake of Batch 2018 to 2020. re-accreditation is also recommended for Intake Batch 2021 under Level-II.	Pakistan Engineering Council
	7	BS Geological Engineering	Level-II	Based on the satisfactory level of compliance against accreditation criteria/ quality standards and implementation of the Outcome- Based Assessment procedures and CQI, reaccreditation is recommended for three (03) years i.e. Intake Batches 2018, 2019 & 2020 under Level-II subject to fulfilment of ten (10) MFS requirement for one (01) section of 50 students. Furthermore, next SAR for Intake Batch 2021 will only be considered subject to submission of detailed compliance report on all observations as mentioned in the visit report.	Pakistan Engineering Council
	8	B. Architecture		a) Accreditation has been granted to Batch-2018. b) Conditional accreditation has been granted to Batch-2019, with a 03-month grace period for the university to appoint a Professor, Associate Professor and HOD as per PCATP	PCATP

				requirement. Failure to meet these requirements may result in ban on further intake. A compliance report to this effect, must be submitted within 03 months.	
FICT	9	BS Computer Engineering		From Intake of Batch 2019 to 2020. re-accreditation is also recommended for Intake Batch 2021 under Level-II subject tosubmission of satisfactory compliance report	Pakistan Engineering Council
	10	BS Electronic Engineering	Level-II	From Intake of Batch 2017 to 2019. re-accreditation is also recommended for Intake Batch 2020 under Level-II subject to submission of satisfactory compliance report	Pakistan Engineering Council
	11	BS Electrical Engineering	Level-II	From Intake of Batch 2017 to 2018, Batch 2019 (Telecommunication/Power Engineering) and re-accreditation is also recommended for Intake Batch 2020 under Level-II subject tosubmission of satisfactory compliance report	Pakistan Engineering Council
	12	BS Software Engineering	Level-II	From Intake of Batch 2018 to 2020 The Department of Software Engineering was accredited for 2 years i.e Intake Batches 2019 & 2020. The department will apply for reaccreditation of the 2021, 2022, and 2023 batch in October 2024.	Pakistan Engineering Council
	13	BS Telecommunication Engineering	Level-II	From Intake of Batch 2017 to 2018	Pakistan Engineering Council
	14	BS Computer Science		BSCS 2016 and 17 were accredited in last visit while 2018 has covid blanket accreditation cover.	NCEAC
	15	BS Information Technology		The BS IT program is regularly accredited by the NCEAC. The last visit accredited 3 batches of Fall 2016, Fall 2017, and Fall 2018.	NCEAC
FMS	16	MBA		Updated till year 2027.	NBEAC
	17	BS Business Administration		Updated till year 2027.
